

2011-2012 Foyers Sign-Up Sheet

St. Stephen's Episcopal Church & School Houston

Purpose: Foyers is a venue for members of St. Stephen's to meet and discover other members of the community in a monthly social setting centered on good conversation and good food. We expect friendships and networks of support to form and persist into the future. Each year new foyers groups are formed during Lent to encourage new relationships while old relationships continue.
